PROFILE

I am a Multimedia Designer with a speciality in Film & Animation, and I love to work with web and game development.

I am inventive and creative with lots of energy and a go-getter attitude. I always work service-minded, and with quality in focus. I will gladly give it my all if it means that the endproduct is better for it.

I love to learn new things, and I strive to keep myself up to date with the industry.

I see my future as an employee, who is respected by my co-workers for my knowledge, skill and sharp senses as well as cheerfulness.
